

COPAKEN STAGE APPRECIATION

Thank you to the over 1,000 individuals, corporations, foundations and civic groups who came together to make Copaken Stage possible with \$7.3 million in gifts and pledges. Since opening February 2007, the stage has been the site of ten professional productions, has earned national press and has contributed to the revitalization efforts of downtown Kansas City by attracting over 100,000 visitors, including students who attend our student matinees.

Questions about your listing? Would you like to pay your pledge off early? Please contact Carrie Lenahan at 816-235-5420 or lenahanc@kcrep.org.
